Subject: TCRS - peer review comments with respondent names
Attachments: TC Report Compiled Peer Review Comment Responsibilities Draft 06-27-2018.docx

Hi Everyone:

I have completed a more detailed pass through the compiled peer review comments for the TCRS report.

I have attempted to identify the lead person for addressing groups of comments or single comments.

Please use the Find function in Word to scan for your name or other names associated with comments. Also please scan for the term 'Management Group' - there are a number of comments beyond those discussed yesterday that I think we will need to discuss as a group.

Elizabeth – I will send you the individual report sections for the version of the report that was sent to the peer reviewers.

Best wishes,
Kent
